

Thank You

Hello Mr. Maynard,

I wanted to thank you & send my heartfelt gratitude on behalf of my family. Mr. Ware & your firm we believe made the outcome in my brother's case possible & words can not express how thankful we are. When my mother, brother and I came to meet with you & Mr. Ware, you said the best thing we could do was to hire your firm to represent Michael - those words resonated with us - and we feel that in this case those words hold true. Mr. Ware was a blessing and if you ever need any testimonial please do not hesitate

to reach out to me & my family.

Thank you again for support and guidance through a difficult time.

Best,

Jenifer

& the Family (Michael,  
Bryan & Linda)
